

# Jerudong Park – Evening Tour Bandar Seri Begawan

The Royal Experience

Dinner at Jerudong Park Polo Club

Tour Code: ITE-R1BJ

## Tour Description:

This tour will introduce you to the Jerudong Park area where Brunei's Royal Family has established many of their recreational facilities.

Late afternoon/evening is a pleasant time to explore this area and enjoy short stops/walks at different vantage points and venues.

The early 90's was a busy construction and development period for Brunei when many of these luxuriously appointed facilities were established. The late 90's saw places such as the Polo Club, Royal Brunei Golf & Country Club, and Jerudong Equestrian Centre open to overseas visitors so we can now show you these magnificent facilities.

Our stops along the route permit the guide to explain the development processes and for guest to learn the area's role in Brunei's recent history.

Dinner at Jerudong Park Polo Club is a *Royal Experience*, in the lavishly appointed dining room adorned with photos of international dignitaries in Brunei to play Polo with the Sultan.
